COMPANY INTRODUCTION

Cixi Hongcheng Rubber Products Co., Ltd. located in Cixi, Ningbo city, Zhejiang Province. Established in 2010 with more than 5000m<sup>2</sup> workshop. Meanwhile the founder has been specialized in natural rubber field manufacturer and design more than 10 years. Our daily capacity reaches 10,000mm<sup>2</sup> nature rubber foam materials and 1,000,000pcs mouse pads each week. It is a famous local Manufacturer of various kinds of rubber products: indoor mat, kitchen mat, mouse pad, natural rubber roll materials and other anti-slip promotional gifts. Whom can offer NO MOQ request for any OEM order. Short delivery time to ensure customer stock and One-Stop Solution. During past years, we've invested for most advanced digital printing technologies. Now we have 3 printing lines: sublimation printing, UV printing, and silk printing. All of our products use the base of natural rubber which is environmentally friendly, odorless, non-toxic and harmless to human body. The surface is covered by non-woven fabric, polyester fabric, linen, polished fabric, suede and so on. The material type, specification, design, style, logo, printing, pattern and packing all can be customized. Our products comply with international environment protection requirements. Already passed following certifications: RoHS, EN-71 Mechanical and Physical Properties, REACH (P and SVHC (Substances of Very High Concern)) and enjoys a worldwide reputation. We truly believe that our professional technology, high quality, competitive price and sincere services will meet your business requirements. We are looking forward to your kind inquiries and cooperation. We are just the quality supplier you are looking for!
